MINUTES OF THE PROCEEDINGS OF THE COMMITTEE OF THE HOUSE OF REPRESENTATIVES
ON THE BUDGET AT THE 71ST SESSION OF THE IMPERIAL DIET, 6 AUGUST 1937.

Answer of the Minister of State.
Minister of State Hirota.

As to the situation in Europe, it is of great interest to Japan. Regarding the Japanese-German Pact, I would say, as I answered a query in the plenary session of the Diet the other day, that in accordance with the articles of this Pact, I am trying to approach other countries with a policy against Communism. Thus I should like to collaborate towards this end with France and Italy and also with Great Britain. I believe recent European events are progressing in this trend.
